COTINO, a Storyliving by Disney Community

Rancho Mirage, California

The Cotino community is being envisioned by Walt Disney Imagineering as a creative oasis energized by the desert’s natural beauty and designed to inspire residents to write the next exciting chapter of their lives.

The 618-acre community has plans for 1,932 residential units, including single-family homes and condominiums, and the Cotino town center featuring shopping and dining nestled along Cotino Bay, which features the clearest turquoise waters with Crystal Lagoons® technology.

The Cotino community is being brought to life in collaboration with DMB Development, which is highly regarded for its large-scale planned communities in the United States.

Home purchase does not grant access to Cotino Bay or its beaches; use will require separate fees and access. No representation or warranty is made about the continued operation/maintenance, long-term water levels or features of Cotino Bay; water levels may fluctuate. No representation is made as to whether the Town Center will be constructed.

RESIDENTIAL DEVELOPMENT

With an abundance of walking and biking paths connecting homes to parks and amenities, Cotino residents embrace the community’s distinct lifestyle celebrating the desert’s natural beauty. The community features dedicated parks for families, pets and adults — thoughtfully designed by Disney Imagineers to foster connection, comfort and a sense of belonging. At the heart of Cotino, a picturesque mile-long promenade encircles Cotino Bay, offering a scenic setting for sunset strolls, morning bike rides and everyday moments with friends and neighbors. The first phase of the community’s residential development includes plans for more than 300 homes including some designated for 55+ adults in an area known as Longtable Park. Shea Homes, Davidson Communities and Woodbridge Pacific Group have been announced as the first homebuilders.

ARTISAN CLUB

Beyond beautiful homes, Cotino community residents can choose to join the voluntary Artisan Club and explore new passions thanks to an array of amenities and special experiences infused with Disney touches and legendary service. Artisan Club includes a restaurant, pool, sports courts, private beaches and water front located along Cotino Bay. The club is also home to the one-of-a-kind Parr House. Inspired by the Parr family home in Disney and Pixar’s “Incredibles 2,” the multi-functional space will host club events and celebrations for members and their guests.

The Disney difference comes to life through the Artisan Club programming focused on learning, discovery and fun. From wellness classes led by Optum—the Club’s dedicated wellness partner—to immersive dining experiences and hands-on art workshops, members have access to activities that support both personal growth and community connection.
