When Walt Disney opened Disneyland on July 17, 1955, he said he hoped it would be “a source of joy and inspiration to all the world.” Since then, Disneyland Resort has welcomed guests from all across the world, expanding to become an approximately 500-acre, multifaceted, world-class family resort destination, complete with two renowned Disney theme parks, three hotels and the exciting shopping, dining and entertainment area known as Downtown Disney District.

Disneyland introduced the world to an entirely new concept in family entertainment. Today, it continues to use creativity, technology and innovation to bring storytelling to new heights, while fulfilling Walt Disney’s vision that “Disneyland will never be completed as long as there is imagination left in the world.”

OVERVIEW

NEW DEVELOPMENTS

Disneyland Resort continues to celebrate 70 years of magical memories. Making its debut during the celebration, the "Walt Disney — A Magical Life" attraction features the first Audio-Animatronics figure of Walt Disney. In March, "Bluey's Best Day Ever!" at the Fantasyland Theatre in Disneyland park will celebrate the heart and humor of the critically acclaimed Disney+ animated series, Bluey. In April, Star Wars: Galaxy's Edge at Disneyland park will expand its timeline to include more Star Wars eras. Additionally, as the nation soars into its 250th birthday celebration in 2026, Disney California Adventure park will debut the all-new Soarin' Across America.

Future developments include an Avatar-themed destination and the first-ever "Coco" attraction coming to Disney California Adventure park. Work is underway on two new attractions in Avengers Campus which will double the size of the land. Plans are also underway for a new parking structure and transportation hub that will be built on the east side of Disneyland Resort, leading to an all-new esplanade arrival experience.

EMPLOYMENT EXPERIENCE

As the largest employer in Orange County, Disneyland Resort is home to 36,000 cast members and offers competitive wages, comprehensive benefits and opportunities for career advancement. Cast members also have access to one-of-a-kind events, such as after-hours celebrations in the parks, previews of new offerings at the resort and more. Cast members have access to resources that make working at Disneyland Resort much more than a job, such as a dedicated on-site cast care center, Employee Assistance Program (EAP), on-site Partners Federal Credit Union branches and many more. Disney Aspire, an education program that provides help with college tuition for eligible hourly cast members, creates opportunities to gain career mobility and advance professionally.

ECONOMIC IMPACT

Disneyland Resort continues to be an economic engine in the Southern California region, driving tourism, job creation and billions of dollars in revenue annually. According to a 2025 study by economists from Oxford Economics, Disneyland Resort annually generates \$16.1 billion in total economic activity and supports more than 102,000 (direct and indirect) jobs in the region. In addition, the resort supports thousands of businesses across Southern California, including hundreds of small businesses in Orange County.

COMMUNITY ENGAGEMENT

At Disneyland Resort, we are committed to honoring the magic and legacy of The Walt Disney Company by bringing happiness, inspiration and opportunities to youth and families in our community. The resort and its cast members contribute in a myriad of ways annually including millions of dollars in cash and in-kind donations to local nonprofit organizations, leaders serving on boards and thousands of Disney VoluntEARS hours from our cast members.

Through the Disney Wish program, Disneyland Resort collaborates with nonprofit wish granting organizations to make wishes come true for children with critical illnesses. Since the very first official wish was granted at Disneyland Resort 45 years ago, Disney has helped fulfill over 170,000 wishes globally, making the company the world's largest wish granter for Make-A-Wish. In 2025, Disneyland Resort continued to make dreams come true, fulfilling over 700 wishes for children with critical illnesses.

To help develop and prepare the workforce in Orange County, Disneyland Resort continues to provide career readiness opportunities to Anaheim students and residents through its community workforce development initiative. Since 2017, this initiative has given more than \$7.8 million in financial support, along with more than 4,000 hours of service from Disney VoluntEARS to build the workforce of tomorrow.

ENVIRONMENTAL SUSTAINABILITY

Disneyland Resort is committed to operating in an environmentally responsible way and actively working to achieve ambitious 2030 environmental goals of The Walt Disney Company, including achieving net zero emissions and becoming a zero-waste facility. Converting lighting to LED, electrifying vehicles and installing solar panels are just a few ways that Disneyland Resort is reaching a goal to acquire all energy from renewable sources. With 60% of the resort's electricity use matched with zero carbon electricity from utilities, the resort is already more than halfway there. Food waste recovery programs and climate-friendly food offerings have earned Disneyland Resort numerous awards and recognitions, including SustainSoCal's 2024 Sustainable Corporation of the Year and four SEAL Business Sustainability Awards.

DISNEYLAND RESORT HOTELS

DISNEY'S GRAND CALIFORNIAN HOTEL & SPA

Featuring 948 rooms and 71 Disney Vacation Club Villas, Disney's Grand Californian Hotel & Spa is the flagship hotel of the Disneyland Resort. The design of this AAA Four Diamond, award-winning luxury property is inspired by the turn-of-the-century California Craftsman movement. With theme park admission, guests enjoy convenient access to nearby Disney California Adventure park. It offers suites, a large convention facility, and two restaurants: Storytellers Café and the award-winning Napa Rose. Napa Rose is slated to reopen in early 2026 with an exquisite new look, expanded counters where guests can watch the chefs in action, enhanced patio seating and two new fireplaces.

DISNEYLAND HOTEL

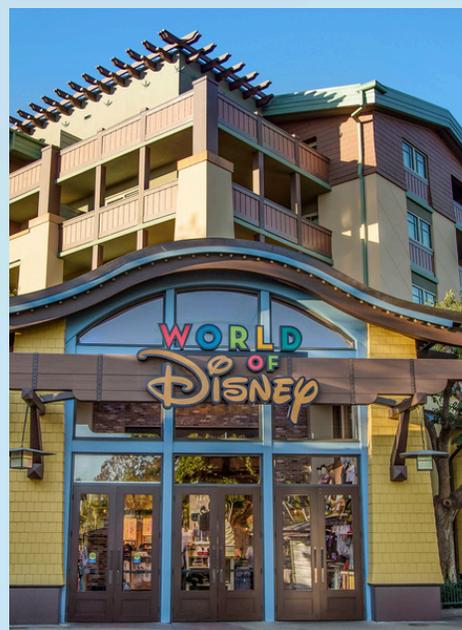

This 973-room landmark hotel features reimagined guest rooms, Tangaroa Terrace and Trader Sam's Enchanted Tiki Bar, and a courtyard featuring monorail-inspired water slides. The AAA Four Diamond hotel also features one of the largest contiguous convention spaces in the Western U.S., at 136,000 square feet. The High Key Club, a new concierge lounge on the 11th floor of the Adventure Tower, celebrates the music and classic sounds of early Disneyland park.

PIXAR PLACE HOTEL

Inspired by the imagination of Pixar Animation Studios, Pixar Place Hotel features 481 guest rooms, family recreation areas and multiple dining spaces. The pool deck includes cabanas and a water slide. The hotel overlooks Disney California Adventure park and is complete with artwork and decor of beloved Pixar characters and stories, including the iconic Pixar lamp Luxo Jr. in the lobby.

DOWNTOWN DISNEY DISTRICT

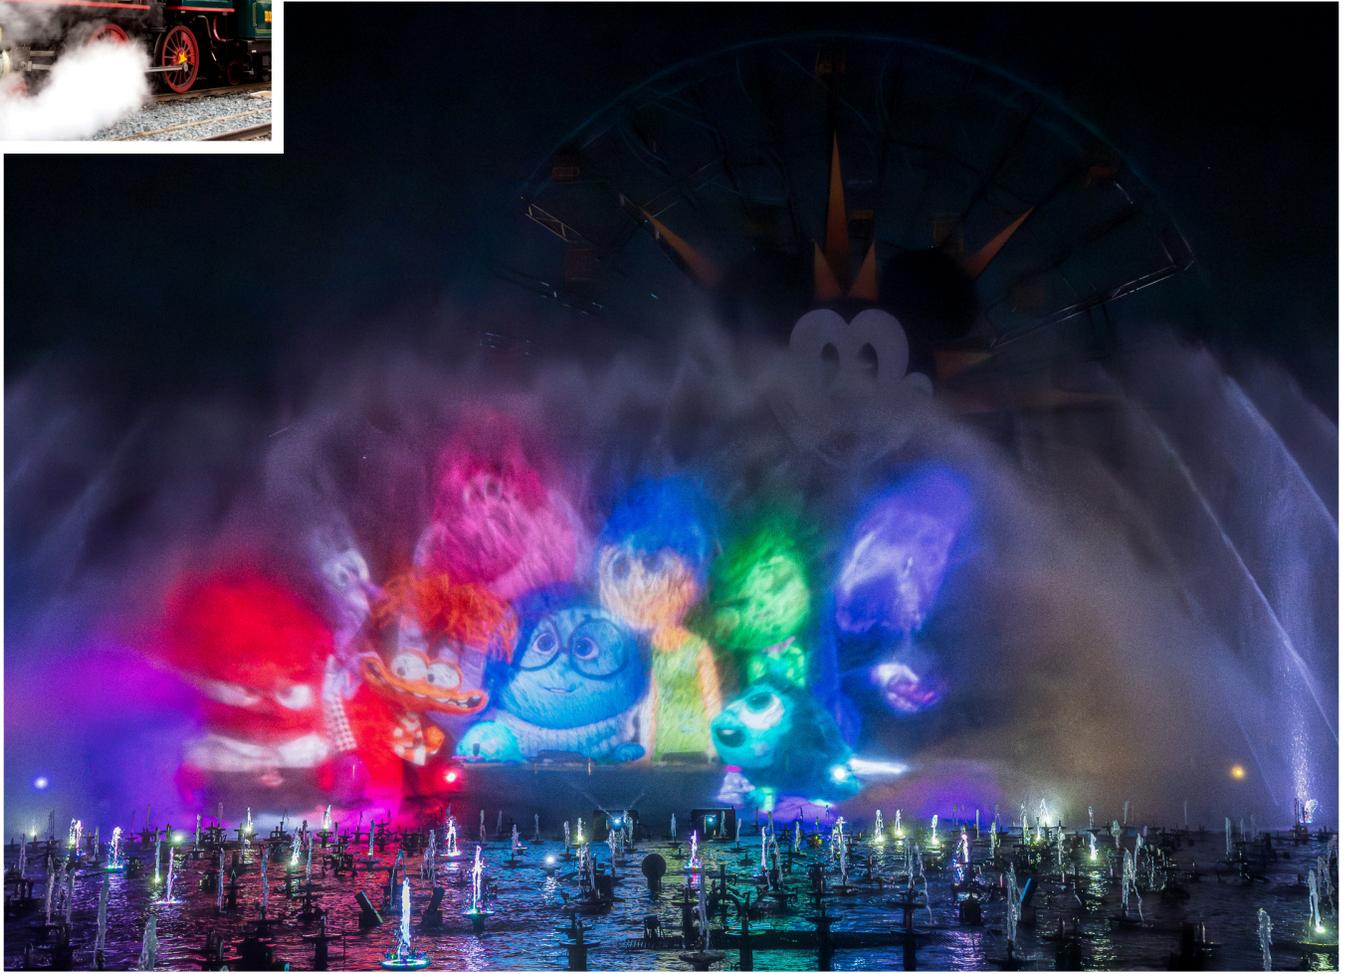

Bridging the two theme parks and three hotels is the Downtown Disney District, a 20-acre dining and shopping district featuring more than 300,000 square feet of retail space. The Downtown Disney District boasts unique dining options, distinct shopping locations and live entertainment venues. Recent additions include lululemon and Nectar Life. Guests can look forward to Porto's Bakery and Café, Arthur & Sons Steak and Bourbon, Pearl's Roadside BBQ and Gordon Ramsay at The Carnaby coming to Downtown Disney District in the future.

FACTS & FIRSTS

- Disneyland Resort cast members speak approximately 32 different languages, including American Sign Language.
- The Disneyland Railroad steam trains and Mark Twain Riverboat are powered by biodiesel made from recycled cooking oil – used to make fries and other foods – at the Disneyland Resort, saving approximately 200,000 gallons of petroleum diesel annually.
- According to the Themed Entertainment Association’s 2024 Global Experience Index, Disneyland park was the second most visited Theme Park in 2024—just behind Magic Kingdom park at Walt Disney World Resort.

- All parade floats are electrically powered, and our cast use hundreds of electric back-of-house vehicles.
- The landscape surrounding the Jungle Cruise has evolved into its own ecosystem since the attraction opened in 1955. The trees have created a canopy that allows species of ground plants to grow that otherwise wouldn’t thrive in Southern California.
- More than 3,000 species of plants that are native to more than 40 different countries from around the world are grown at the Disneyland Resort.
- Disneyland Resort is the only Disney theme park that Walt Disney ever saw. His original apartment remains in place above the Main Street, U.S.A., fire station, with a lamp always lit in the window.
- Disneyland’s culinary program includes chefs trained at prestigious culinary schools, contributing to the Resort’s award-winning dining experience.
