Walt Disney World Resort is a world-class entertainment and recreation destination featuring four of the most popular theme parks from around the globe, two thrilling water parks, nearly 29,000 hotel rooms, a sports complex, four golf courses and Disney Springs—a metropolis of shopping, dining and entertainment. Since 1971, Walt Disney World has focused on delivering legendary guest service and one-of-a-kind experiences that make it the largest and most visited theme park destination in the world where families create magical memories.

With a rich heritage of storytelling, Disney Parks combines creativity, innovation and technology to immerse guests of all ages in classic Disney tales and family entertainment. Whether celebrating a special occasion, the vacation of a lifetime, or just a day of fun, there's nothing like a visit to Walt Disney World. No matter how guests choose to visit, there's always a wide variety of ticket, dining and hotel options, and promotional offers during the year to help families save on their Disney vacations.

Disney is one of the largest employers in Florida, directly and indirectly accounting for more than a quarter of a million jobs as a result of its presence in Florida with approximately 80,000 cast members wearing the iconic Walt Disney World name tag. One in every 32 Florida jobs can be attributed to Disney. Without Disney, Florida's unemployment rate would jump from the 21st lowest to the second highest among all 50 states.

OVERVIEW

NEW DEVELOPMENTS

- Disney's nighttime spectacular legacy continues with "Disney Starlight," a brand-new parade at Magic Kingdom Park. By the magic of the Blue Fairy, the parade features beloved characters from Walt Disney Animation Studios films "Peter Pan," "Encanto," "Frozen," "Moana" and more.
- Explore the past, present, and future of automation with a newly-reimagined Test Track presented by General Motors, now open at EPCOT.
- See two new shows at Disney's Hollywood Studios, "Disney Villains: Unfairly Ever After" and "The Little Mermaid – A Musical Adventure."
- GEO-82 is open at EPCOT, a lounge inspired by the geometric sphere structure and architecture of Spaceship Earth.
- Enjoy a new lounge at Magic Kingdom. The Beak & Barrell, a Pirates of the Caribbean inspired lounge opens to buccaneers of all ages in Adventureland.
- Join Judy Hopps and Nick Wilde in Zootopia: Better Zoogether!, a new show at the Tree of Life Theater at Disney's Animal Kingdom.

Rock 'n' Roller Coaster Starring The Muppets comes speeding into Disney's Hollywood Studios in summer 2026, featuring the Electric Mayhem and the high-speed hijinks of The Muppets.

Also in 2026, a new experience inspired by The Walt Disney Studios and the Emmy Award-winning short film, "Once Upon A Studio, will open at Disney's Hollywood Studios. The area will include "The Magic of Disney Animation," featuring character greetings, an animation experience, short film and indoor Drawn to Wonderland play area.

Construction is underway to bring new stories to life at Walt Disney World, including:

- Monstropolis at Hollywood Studios, where you can join Sulley, Mike, and the rest of the crew from the Pixar Animation Studios film "Monsters, Inc." and experience the first suspended coaster ever in a Disney theme park.
- Piston Peak National Park, a new area inspired by Pixar's "Cars," will race into Magic Kingdom with two new attractions, one inviting guests to embark on a thrilling rally race through the mountains.
- Tropical Americas at Animal Kingdom will share new stories from renowned archeologist Indiana Jones, and the Madrigal family's magical casita from Walt Disney Animation Studios' Oscar-winning film "Encanto."

As announced at D23 last August, an all-new multi-acre land dedicated to the Disney Villains will add to the largest expansion in Magic Kingdom's history with two major attractions, plus dining and shopping.

Beyond our theme parks, families can now enjoy a relaxing retreat at the brand-new Disney Vacation Club resort, The Cabins at Disney's Fort Wilderness. This all-new way to stay in the great outdoors with many of the comforts of "home" is nestled in the scenic and historic woodlands of Disney's Fort Wilderness Resort & Campground.

Now open to guests: Island Tower at Disney's Polynesian Villas & Bungalows is brimming with themed spaces that bring the adventurous spirit of Polynesia to life. This space immerses guests in the captivating stories and unique cultures of the islands — making it the perfect place for unforgettable family vacations.

COMMUNITY INVOLVEMENT

For more than five decades, Walt Disney World Resort has played an active role in finding solutions to important matters affecting Floridians. Our company and its cast members show up as a force for good. We create happiness for kids and families when they need it most and strengthen Florida's economy in ways only Disney can.

We are constantly investing in nonprofit organizations through volunteering and by making significant financial and non-financial contributions to causes that address basic needs and are valued by our cast members. In 2024, we supported more than 60 nonprofit organizations across Florida with cast contributing 200,000 VolunteER hours. We also provided \$2.7 million in Disney

Grants to nonprofits, schools, children's hospitals and more.

We continue to move forward with developers on work around an [attainable housing community](#) in Central Florida. In addition to providing approximately 1,400 units, this community will create new jobs as part of construction and operation.

Nearly 54,000 Florida-registered car owners have purchased Walt Disney World specialty license plates to date. Launched during our 50th Anniversary celebration and updated in 2023 with a new design, 100-percent of the proceeds from the plates benefit Make-A-Wish® of Central and Northern Florida. More than \$5 million has been raised so far, directly supporting their mission of making wishes come true for children with critical illnesses.

Disney has a longstanding relationship with Make-A-Wish dating back to 1980, and since then, more than 165,000 Disney-inspired wishes have been granted, including thousands taking place at Walt Disney World Resort alone. Through the experience of wishes coming true at Disney, children and their families find the hope and joy needed to confront and overcome the challenges of tomorrow.

Throughout the 2024 holiday season, we celebrated some favorite annual traditions by serving meals at Coalition for the Homeless on Thanksgiving Day, collecting more than 20,000 toys for families in need alongside the U.S. Marines as part of the Disney Ultimate Toy Drive supporting Toys for Tots and more. We were also honored to surprise Second Harvest Food Bank of Central Florida with a donation equaling 400,000 meals.

ECONOMIC IMPACT

Walt Disney World Resort is an economic engine that fuels Florida's economy, jobs and tourism. The resort, which is one of the world's most visited vacation destinations, generated \$40 billion in economic impact across the state and more than a quarter of a million total jobs in fiscal year 2022, according to a study by [Oxford Economics](#).

Walt Disney World contributed \$1.236 billion in state and local taxes paid and collected in FY24, representing a \$2.4 million increase over FY23.

THE ENVIRONMENT

Walt Disney World Resort is committed to minimizing its overall impact on the environment, focusing on reduced energy consumption, water conservation and diversion of waste from landfills.

Single-use plastic straws and plastic stirrers have been removed as part of The Walt Disney Company's commitment to eliminate these items at locations around the globe. Walt Disney World Resort is also reducing in-room plastics by 80 percent, reducing plastic shopping bags and eliminating polystyrene cups.

Disney's Animals, Science and Environment team cares for thousands of animals in Central Florida and partners with the Disney Conservation Fund (DCF) on its efforts to save wildlife around the world, inspire action and protect the planet.

The animal care team has welcomed numerous baby animals to the herd at Disney's Animal Kingdom Theme Park and Disney's Animal Kingdom Lodge, including the most recent additions of four Hartmann's Mountain zebra foals, Bakso the Sumatran tiger cub, and Julien the addax. These births are part of the Species Survival Plan overseen by the Association of Zoos and Aquariums, which ensures responsible breeding of threatened and endangered species.

Since 1995, the Disney Conservation Fund has directed \$132 million to support nonprofit organizations working with communities to save wildlife, inspire action and protect the planet – including more than 1,000 species around the world and more than 315 million acres of habitat. Additionally, Disney Conservation Team leads best-in-class scientific programs to conserve wildlife in Disney's backyard and beyond, connects people to build a network for nature, and cares for the planet through everyday actions.

WALT DISNEY WORLD FEATURES

CONVENTION FACILITIES

More than 500,000 square feet of ballroom, meeting and function space is available in five convention resorts throughout the Walt Disney World Resort.

ESPN WIDE WORLD OF SPORTS COMPLEX

Walt Disney World Resort opened ESPN Wide World of Sports Complex in 1997, and in so doing, pioneered a new type of Disney vacation experience where athletes at all levels and ages could pursue their sports dreams. The complex hosts more than 70 entertainment and sports events a year and has accommodated athletes from around the world in more than 70 different sports. The 260-acre facility features multiple competition venues, including 16 baseball/softball fields, 17 multi-purpose outdoor fields for soccer, football and lacrosse, three field houses for basketball, volleyball, and other indoor sports, and a track & field facility and cross-country course. The complex has hosted multi-sport competitions and festivals and served as the official host of the Department of Defense Warrior Games in August 2022 and July 2024.

DIGITAL GUEST EXPERIENCE

The My Disney Experience app offers an array of convenient features designed to maximize vacation time. Guests can do everything from enter the park, unlock their resort room, mobile order food, view wait times, make dining reservations, and check out for merchandise at several Walt Disney World locations.

MagicBands are all-in-one devices that connect guests to the choices they make on My Disney Experience and may be used for room and park entry, dining plan redemption, and more. Experience even more with MagicBand+, which retains the popular MagicBand features while adding functionality that unlocks new moments of magic, including immersive theme park experiences – like Star Wars: Batuu Bounty Hunters at Disney's Hollywood Studios – and integration with Disney Live Entertainment shows and our nighttime spectaculars.

FUN FACTS

- Following the success of Disneyland, which opened in 1955, entertainment pioneer Walt Disney (1901-66) set his sights on what he called his company's "most exciting and challenging assignment" — the creation of a vast vacation paradise known today as Walt Disney World Resort. The Walt Disney Company acquired more than 25,000 acres in Central Florida and after seven years of preparation, including 52 months of construction, the first of four theme Parks - Magic Kingdom Park - opened in 1971.
- Walt Disney World Resort is approximately the size of San Francisco.
- Magic Kingdom Park's blue- and gold-turreted, 18-tower icon, Cinderella Castle, rises 189 feet above the park's 142 acres.
- The icon of EPCOT, Spaceship Earth, is a geodesic sphere standing 180 feet tall. It's made up of two spherical structures with a ride track encased inside. On the outside, 11,324 aluminum triangle tiles catch the attention of guests as soon as they walk into the park.
- The Millennium Falcon docked at the Black Spire Outpost Spaceport in Star Wars: Galaxy's Edge measures more than 100 feet long.
- Inspired by the icy peaks of the Himalayan Mountains in Asia, the Expedition Everest mountain is considered the tallest "mountain" in Florida at almost 200 feet.
- All aboard! The Walt Disney World Railroad operates four steam-powered trains originally built between 1916 and 1928. That means some of them are more than 100 years old.
