

**Michael Moriarty**  
Executive Vice President  
and Chief Financial Officer

Michael Moriarty serves as Executive Vice President and Chief Financial Officer for Disney Experiences where he leads financial strategy and oversight across a diverse portfolio. His responsibilities include financial planning and fiscal management for domestic and international theme parks and resorts, Disney Signature Experiences—including our cruise line, adventure and expeditions, and vacation club businesses, Consumer Products and Walt Disney Imagineering, as well as Revenue Management & Analytics and Global Business Development. In this role, Moriarty plays a critical role in driving sustainable growth and operational excellence across the segment.

Moriarty brings nearly two decades of Disney leadership experience, including his time as former CFO at Walt Disney Imagineering and Hong Kong Disneyland Resort, and finance leadership roles at Walt Disney World Resort. For the past five years, he has served as President and Managing Director of Hong Kong Disneyland Resort. Under Moriarty's leadership, the resort expanded with the successful opening of World of Frozen—contributing to a record-breaking year in 2024—and launched a year-long celebration of its 20th anniversary that is currently under way. Moriarty was the CFO of Hong Kong Disneyland Resort during a period of significant revenue and operating income growth from 2009 through 2012, with major expansion which brought the addition of popular developments, including Grizzly Gulch, Mystic Point and Toy Story Land.

Moriarty's previous experience extends beyond Disney in the global consumer products industry where he led transformative growth strategies while overseeing product development, quality management, sourcing, supply chain, and corporate social responsibility.

Moriarty is a graduate of Lehigh University, where he holds a bachelor's degree in finance and a master's degree in business administration.
